ALL ABOUT VALENTINES

February means that very special Valentine's dinner. It's almost traditional to take your significant other to a nice restaurant and enjoy a candle-lit dinner during this special occasion. With that in mind, we created a delicious and original dinner just for this evening. We have two menus to offer; whether you like your food from the surf or the turf, we have it all covered. The first menu (menu A) is a 5 course meal: served with an Angus beef rib eye steak entree. The meal is started off with our famous eggrolls, known to be the best in town, followed by a salad roll that comes with a fresh roasted peanut sauce. Next, we warm up your stomach with a light beef consommé. Enough with the tease, the rib eye steak entree is rubbed in our house made spice rub and grilled to perfection. Your meal ends with a creamy coconut panna cotta that is complimented with a berry sauce, which will leave you screaming for more.

The second menu (menu B) is a 6 course meal, with a seafood theme. We start your meal off with a pineapple spring roll that comes with Basil & Chives original roasted sesame sauce. Following the first course is pan seared Mahi Mahi and mango salsa over crispy rice crackers. We continue with a spicy crab essence soup made with fire seared tomatoes. The main entrée is heavenly shrimp cakes that come with a 1/2 lb of buttered lobster tail. A special you will not find elsewhere! We then cleanse your taste buds with a fruit ambrosia sorbet. The meal ends with a raspberry lagoon gelee, made with slightly thickened fresh, young, cracked coconuts with layers of raspberries, and topped off with a third layer of fresh coconut cream. This is a meal you and your love one will never forget. Make sure to book your reservation in advance, and indicate which meal you would like to reserve. It is guaranteed to be a full house.

Natural Disaster in HAITI: Please Help Those in Need

We are planning a fundraising dinner in March to buy medicine, food, clean water, and necessities to those affected in Haiti. As you all know, the earthquake has left many survivors without homes and families, and many more will be hurt throughout the coming months and years. We are working with a non-profit organization, Seattle King County Disaster Team (SKCDT) for this project. 100% of the money raised will go directly to Haiti earthquake victims. For more information about SKCDT, please visit <http://www.wa1dmat.com> . We at Basil & Chives will donate all of our food and labor as our way of reaching out. Please support by coming to enjoy an evening of dinner and entertainment, while fundraising for a great cause. We will keep you updated with information regarding the specific date, time, and ticket information. Thank you!
