A Detailed Description of "I do! I do!"

On January 5th, 6th, and 12th Last Leaf Productions and Basil & Chives restaurant will present "I do! I do!" dinner theatre. "I Do! I Do!" is the story of two people, Agnes and Michael, who are in love. At the opening of the show they are wedded. Through their songs we follow their lives and marriage from the bliss and uncertainty of the wedding night, through parenthood, mid-life crisis, growing apart, finding comfort in each other, and finally growing old together. Since it is written in the 60's, "I Do! I Do!", may at times seem a bit old fashioned, but the adventures and emotions Agnes and Michael experience and sing about are as timeless as love itself. "I Do! I Do!" is the perfect musical for Valentines of all ages.

"I do! I do!" is packed with fun and will leave you singing along. For more information and reservations, contact Basil & Chives at (360) 794-4000 or www.basilandchivesrestaurant.com. You can also get your tickets at www.brownpapertickets.com.
